List (A) Homoeopathic Medicines

- | | | |
|-----------------------|-----------------------|-------------------------------|
| 1. Abrotanum | 34. Bellis per | 66. Coffea |
| 2. Absinthium | 35. Bismuth | 67. Colchicum |
| 3. Aconitum nap. | 36. Bovista | 68. Conium |
| 4. Actea racemosa | 36. (a) Borax | 69. Croton tig. |
| 5. Acalypha India | 37. Bryonia alba | 70. Crotalus horridus |
| 6. Aesculus hip. | 38. Bromium | 71. Colocynthis |
| 7. Agaricus | 39. Bufo rana | 72. Cundurango |
| 8. Alumina | 40. Camphora | 73. Cuprum met |
| 9. Allium cepa | 41. Carcinosin | 74. Digitalis |
| 10. Aloe soc. | 42. Calc carb | 75. Dioscorea |
| 11. Ammonium carb. | 43. Calendula | 76. Diphtherinum |
| 12. Ammonium mur. | 44. Cannabis indica | 77. Drosera |
| 13. Ammonium phos | 45. Causticum | 78. Dulcamar |
| 14. Angustura-vera | 46. Cactus G. | 79. Equisetum |
| 15. Antimonium crud. | 47. Capsicum | 80. Formica rufa |
| 16. Antimonium tart | 48. Carbo veg. | 81. Eupatorium
perfoliatum |
| 17. Anacardium | 49. Carbolic acid | 82. Euphrasia |
| 18. Anthracinum | 50. Carbo animals | 83. Ferrum-met. |
| 19. Apis mel | 51. Calc fluor | 84. Flouric acid |
| 20. Apocynum | 52. Calc phos | 85. Gelsemium |
| 21. Arsenicum album | 53. Cantharis | 86. Glonoine |
| 22. Arnica mont. | 54. Caulophyllum | 87. Graphites |
| 23. Arg. nit. | 55. Carduus marianus | 88. Guaiacum |
| 24. Arg. met | 56. Cedron | 89. Hamamelis vir |
| 25. Aur. met. | 57. China officinalis | 90. Helleborus |
| 26. Bacillinum | 58. China ars. | 91. Hepar sulph |
| 27. Badiaga | 59. China sulph. | 92. Hippoz aenium |
| 28. Baptisia | 60. Chamomilla | 93. Hyoscyamus |
| 29. Belladonna | 61. Chelidonium | 94. Hydrocotyle asiatica |
| 30. Benzoic acid | 62. Cina | 95. Hydrastis |
| 31. Bar. carb. | 63. Cicuta virosa | 96. Hypericum |
| 32. Baryta mur. | 64. Cocculus indicus | 97. Ipecacuanha |
| 33. Berberis vulgaris | 65. Coca | |

98. Ignatia	134. Nat carb.	169. Senecio aureus
99. Iristenax	135. Nat sulph	170. Sepia
100. Iris versicolor	136. Nat ars	171. Silicea
101. Iodum	137. Nit acid	172. Spongia tosta
102. Kali bich	138. Nux vom.	173. Spigellia
103. Kali carb	139. Nyctanthes arbor.	174. Staph.
104. Kali sulph	140. Opium	175. Staphisagria
105. Kali bromatum	141. Oleander	176. Stramonium
106. Kali cyanatum	142. Petroleum	177. Stannum
107. Kali iod	143. Phosphorus	178. Sulphur
108. Kali mur.	144. Phosphoric acid	179. Sulphuric acid
109. Kalmia latifolia	145. Phytolacca	180. Symphytum
110. Kreosotum	146. Physostigma	181. Syphilinum
111. Lapis albus	147. Platina	182. Teucrium
112. Lachesis	148. Plumbum met.	183. Tellurium
113. Lac. can.	149. Podophyllum	184. Thuja occidentalis
114. Lac defloratum	150. Prunus spinosa	185. Tabacum
115. Ledum pal	151. Psorinum	186. Tarentula Cubrensis/hispana
116. Lillium tig.	152. Pulsatilla	187. Terebinthina
117. Lobella inflata	153. Pyrogen	188. Thyroidinum
118. Lycopodium	154. Pyrogenium	189. Trillium pendulum
119. Lyssin	155. Ranunculus bulb.	190. Trombidium
120. Mag carb.	156. Ranunculus Bulbosus	191. Tuberculinum
121. Mag phos	157. Rhatnia	192. Urtica urens
122. Medorrhinum	158. Rhus-tox	193. Uran. Nit.
123. Merc sol.	159. Rhododendron	194. Ustilago
124. Merc sulph	160. Robina	195. Verat alb.
125. Mezereum	161. Ruta gr.	196. Virat viride
126. Mercurius	162. Rumex crispus	197. Vipera tor.
127. Millefolium	163. Sabal serrulata	198. Viburnum opulus
128. Mur. Acid	164. Sabina	199. Viscum album
129. Murex	165. Sangunaria	200. Wyethia
130. Mygale	166. Sarsaprilla	201. Zinc met.
131. Naja tri	167. Selenium	202. Zinc phos.
132. Nat mur	168. Secale cor.	
133. Nat phos.		

List (B) Mother Tinctures

- | | | |
|-----------------------------|----------------------------|------------------------|
| 1. Acalypha India | 12. Terminalia Arjuna | 23. Ipecauanha |
| 2. Bluniea Odorata | 13. Syzygium
Jambolanum | 24. Bryonia alba. |
| 3. Cassia Sophera | 14. Thuja occident | 25. Spongia tosta |
| 4. Cephalandra Indica | 15. Calendulla | 26. Blattam orientalis |
| 5. Cynodon Dactylon | 16. Cantharis | 27. Plantago major |
| 6. Gentiana Chirata | 17. Sabal Serulata | 28. Kreosote |
| 7.. Jonosia Asoka | 18. Echinacea | 29. Berberis vulgaris |
| 8. Justiocia Adhatoda | 19. Digitalis | 30. Hamamelis verg. |
| 9. Nyctanthes Arbos | 20. Crataegus | 31. Aesculus |
| 10. Ocimum Sanetum | 21. Cactust grandiflorus | 32. Euphrasia |
| 11. Rauwolfia
Serpentina | 22. Millefolium | 33. Arnica |
| | | 34. Aloe soc. |

List (C) Biochemic (12 Tissue Salts (6x -12x))

- | | | |
|---------------|--------------|-----------------|
| 1. Kali Phos | 5. Mag. Phos | 9. Kali Sulph |
| 2. Calc Phos | 6. Silecea | 10. Nat Sulph |
| 3. Nat. Phos | 7. Kali Mur. | 11. Calc. Sulph |
| 4. Ferum Phos | 8. Nat. Mur. | 12. Mag. Sulph |

List (D) Homoeopathic medicines for external application only

- | | | |
|------------------------------|----------------------------|--------------------|
| 1. Mullen Oil (Ear
drops) | 2. Euphrasia Eye
drops) | 4. Plantago maj. Q |
| | 3. Cineraria Eye drops | 5. Kreosote maj. Q |

List (E) Ointments

1. Calendula Ointment
2. Cantharis Ointment
3. Rhus tox Ointment
4. Bryonia Ointment
5. Ledum Pal
Ointment
6. Graphites Ointment
7. Hamamelis
Ointment
8. Aesculus Ointment
9. Berberies
aquifolium
10. Petroleum Ointment
11. Arnica Ointment
