Text of RTI First Appeal :	After going through all the 1539 pages received on 27 January 2021, we have found certain irregularities: 1. Document titled "Agenda" for 4th Meeting of New Technical Advisory Committee which starts on page 188 is not complete since after page 1 it jumps straight to page 30. 2. Document titled "Updated Referee's Comments" for 4th Meeting of New Technical Advisory Committee which starts on page 194 is not complete since after page 1 it jumps straight to page 11. 3. Document titled "Minutes of Meeting" for 4th Meeting of New Technical Advisory Committee which starts on page 203 is not complete since after page 3 it jumps straight to page 20. 4. Documents provided by DSIR do not have any document related to assessment of DSIR support to the project. Please provide the papers related to DSIR calculation and assessment of support to Project. The above complete information is required to assess why the initial DSIR's share of Rs. 655.8 Lakhs was reduced to Rs. 360 Lakhs, inpite of the comments from two external experts, who didn't write any thing negative on budget of project and DSIR support. Further, concealing information under RTI Act 2005 is not expected. The above was sent via email to RTI Officer as well on 17 February 2021 but no response has been received, hence the first appeal is being filed for providing complete information.
