Information Sought :	<p>Dear sir / Ma,am</p> <p>This January 2022 i completed my AMIE (Associate Member of Institute of Engineers) from Institute of Engineers (India) in Computer Science and Engineering stream in which i enrolled in the year 2015. As per the information available on IEI website that is ieindia(dot)org it is recognized as Scientific and Industrial Research organization by Ministry of Science and Technology (screenshot attached). However there is a ongoing litigation in the Delhi High Court regrading its Recognition status which makes it very difficult for student like us to decide its recognition and apply for the jobs accordingly. In the view of above following is requested-</p> <p>1)- does my graduation from IEI is recognized as a valid graduation course ? 2)- using this degree, will i be able to apply for central Govt jobs? 3)- If it has been recognised as a non-valid graduation course by Dept. of Science and Technology, kindly provide information or reference when it was done ?</p>
