OFFICE MEMORANDUM

Sub: RTI Application of Shri Krishnpal Chauhan, Azamgarh [DOSIR/R/E/22/00002]

This is with reference to H-12019/01/2005-Admn/22-00002T dated 14th February 2022 vide which application of Shri Krishnpal Chauhan, Azamgarh [DOSIR/R/E/22/00002] was forwarded to the division for providing the information. The information in respect to SIRO Division of DSIR is given below;

RTI queries	Response
<p>This January 2022 i completed my AMIE (Associate Member of Institute of Engineers) from Institute of Engineers (India) in Computer Science and Engineering stream in which i enrolled in the year 2015. As per the information available on IEI website that is ieindia(dot)org it is recognized as Scientific and Industrial Research organization by Ministry of Science and Technology (screenshot attached). However there is a ongoing litigation in the Delhi High Court regrading its Recognition status which makes it very difficult for student like us to decide its recognition and apply for the jobs accordingly. In the view of above following is requested-</p> <p>1)- does my graduation from IEI is recognized as a valid graduation course ?</p> <p>2)- using this degree, will i be able to apply for central Govt jobs?</p> <p>3)- If it has been recognised as a non-valid graduation course by Dept. of Science and Technology, kindly provide information or reference when it was done?</p>	<p>Department of Scientific and Industrial Research (DSIR) recognizes organizations/ institutions/ foundation/ societies/ trusts etc. engaged in Research & Development as Scientific & Industrial Research Organisation (SIRO) subject to the condition that they are having broad based governing board, research advisory committee, research programmes, infrastructural facilities including research staff etc. for promoting and undertaking research activities. Institute of Engineers (India) is recognized by DSIR as a SIRO.</p> <p>SIROs can be in the field of Academics/ Education, however SIRO recognition does not make any organization eligible for running an academic course and department has no role to play in it. Approvals for any academic course have to be obtained from the concerned department/ agency viz. MoE/ UGC/ AICTE etc. as the case may be.</p>

2. This issues with the approval of competent authority.
